

Chelsea's Tee Time Reservation System Gives Your Golfers 24/7 Access Via Internet, Touch Tone Telephone and Touch Screen Terminals

Chelsea's Windows-based Tee Time Reservation system is customized to meet each club's unique needs and requirements.

- Easily cut and paste golfer reservation information.
- Track initial bookings, edits and cancellations by golfer and/or by confirmation number.
- View the entire tee sheet on the Internet in a clean format that features a logical navigation and an easy-to-use interface.

Management benefits of this highly adaptable software system include:

- Detailed play history tracking by golfer and date range.
- Unlimited number of master course configurations.
- Flexible tee time intervals and formats (Straight, Cross Over, Shotgun or any combination) available on a daily basis.
- Detailed play statistics by date range.
- End duplicate tee time bookings.

Chelsea's software keeps your club and staff from having to conform to an inflexible "canned" system. Instead of dealing with handwritten tee sheets and lengthy phone calls, your staff will be freed up to provide more personal time to the golfer, while the golfer will enjoy the accessible, easy-to-use golf reservation experience from start to finish.

randomly. Linked tee times keep groups together for a more enjoyable golfing experience. Golfers may, at their leisure, request a tee time and will no longer need to wait on the telephone or at the pro shop to book their time.

Tee Time benefits include complete flexibility in scheduling, as well as the ability to:

- Book in real-time via the Internet, touch tone telephone or touch screen terminals.
- Block tee times for special events, tournaments, starter/sales times, nine-hole times and guest restricted times.

More golfers than tee times? Our lottery option may be the answer.

Chelsea's lottery option fairly assigns tee time requests based on play history, point quotient, average number of minutes away from the requested tee time or
